

Leicester Antiques & Vintage Market

We are back on 4th September 2017 buying and selling antiques and vintage items.

Now that the market area development has been completed on the New Market Square, we will be back running a weekly market every Monday (except bank holidays).

We are expecting a wide range of antiques and vintage items from our stallholders, some of whom used to trade at the old Leicester Antiques market, which ran every Wednesday before the development work took place.

If you would like a stall at this event please contact Steve on 01327 871797 or 07775 787176. Stall rents are £20 per week and you MUST have Market Trader's Public Liability Insurance to trade.

The old antiques market was very popular and we're confident that this will be too.
